School Supply List

We will not be buying supplies for families this year. The school supply list is attached below, on our website, and available at Walmart in Waseca.

If you need assistance purchasing school supplies, please contact one of our social workers:

Jenna Auen - jauen@team.k12.mn.us

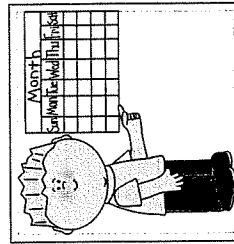

Ashlee Conely - aconley@team.k12.mn.us

The Neighborhood Service Center is also assisting families with school supplies. You must contact them by the end of July to fill out the paperwork.

Calendar

We will send home a monthly calendar with all students each month. We are hoping this will help us communicate events at school with families easier. If you want a full calendar we have one on our website. A list of all events for the year is in your student's planner at the end of the handbook section.

Bus Information

Transportation for students will see significant improvements this fall, as it will be available for students who live one mile or more from TEAM and require the use of a bus pass. As such, parents of any and all students riding the regular bus routes will need to register with the bus companies.

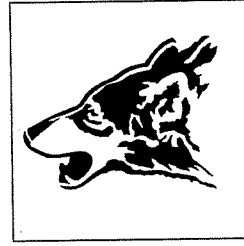

New Teachers!

We want to welcome Jalea Priebe and Laura Seeley to TEAM Academy! Jalea will be our new Phy Ed teacher and Laura is our 4th grade teacher! We are excited to have them join us!

Updating Contact Information

Please be sure to notify the office of any change in address, phone number, change of work place, marital status, family members or emergency phone numbers. Notification of these changes as they occur are greatly appreciated.

You can also log into your Infinite Campus Parent Portal to update your contact information.
